A scenic landscape photograph of a lake and forest in autumn. The foreground shows a sandy and pebbly shoreline. The middle ground features a calm body of water, possibly a lake or a wide river, with a forested shoreline in the background. The trees are mostly bare or have light-colored autumn foliage. A large, dark evergreen tree is visible on the left side of the frame. The sky is overcast and grey. The entire image is framed by a blue border with a clipped top-right corner.
